

Beyond question, revival and spiritual awakening are preeminent priorities of God's heart. Effective prayer for revival and spiritual awakening is God's will for every believer. In fact, such prayer is the only real hope for our state!

Join New Mexico Baptists as we pray for spiritual awakening and the Lost.

Below is a prayer and some stats to help guide you as you pray
ONE prayer for New Mexico.

ONE Prayer: Lord, I plead for Your mercy upon me. Give me a hunger for Your presence, a purity for Your glory and a burning passion for the Lost of New Mexico.

Lostness in New Mexico

It is estimated that 82% or 1.6 million are lost. Almost 1 million of these are Hispanic.
Our population increases each year by 50,000. By 2025 New Mexico will have 2.6 million residents.
A death rate of 732 people per 100,000 population means 15,372 die lost.

Church and Culture

8 out of 10 of our neighbors are in nobody's church on Sunday morning. The Barna Group says up to 60% of the population will never attend our churches.
7 out of 10 of our unchurched neighbors said they would attend church if invited by a friend.

Next Generation

55% of total baptisms in BCNM churches are under the age of 30.
34% of BCNM baptisms were 17 years of age and younger.
18% of our baptisms are age 11 and under.
At 80 million plus, the Millennial Generation (those born between 1980-1999) is America's largest generation.
