No. All money designated to Hurricane Harvey Relief will go to the 3 conventions surrounding the impacted areas to offer relief right away. The BCNM will forward donations every week.

Will my donation be used to deploy New Mexico Baptist Disaster Relief teams to impacted areas?

No. NMBDR is funded through the generous gifts of churches and individuals to the Cooperative Program and to the Mission New Mexico State Missions Offering.

Volunteering for Hurricane Harvey Relief

Can I serve as a Disaster Relief volunteer for Hurricane Harvey Relief?

Yes. But, NMBDR volunteers must undergo basic training, complete a background check, and receive their badge to serve on a deployment.

Because of Hurricane Harvey, basic Disaster Relief volunteer trainings are being planned across the state to supplement the 300 trained volunteers already available.

More volunteers are needed. The volunteer nature of Disaster Relief means that all volunteers are not available for every deployment and sometimes multiple deployments occur simultaneously.

The attached list contains scheduled training sessions.

Hurricane Harvey Relief

Disaster Relief Basic Training Fact Sheet

In response to the destruction caused by Hurricane Harvey in the Gulf Coast, Baptist Convention of New Mexico Disaster Relief has scheduled the following trainings throughout our state.

It is important to attend one of these trainings if you want to deploy with New Mexico Baptist Disaster Relief. There are reasons for you to attend training.

First, these short, informative trainings will quickly prepare you with information you will need on a disaster site. This information allows you to be effective when working with the local agencies coordinating the relief efforts.

Second, following the training, you will complete the steps necessary to receive your New Mexico Baptist Disaster Relief (SBC) badge. This badge identifies you to local officials such as SBC Disaster Relief leaders, FEMA, and other emergency management personnel as a trained, vetted volunteer with New Mexico Baptist Disaster Relief.
