(As Amended October 27, 1999)

Pursuant to the provisions of Section 53-8-37 NMSA 1978 of the Nonprofit Corporation Act the undersigned Corporation adopts the following Articles of Amendment to its Articles of Incorporation:

1. The name of the Corporation is The Baptist Convention of New Mexico.

2. The following amendment to the Articles of Incorporation was adopted by the Corporation on the 27th day of October, 1999, in the manner prescribed by the New Mexico Nonprofit Corporation Act:

The present Articles of Incorporation as amended are deleted in their entirety and the following Articles of Incorporation are substituted in their place:

ARTICLE ONE: Name. The name of the Corporation is The Baptist Convention of New Mexico.

ARTICLE TWO: Duration. The period of its duration is perpetual.

ARTICLE THREE: Purpose. The purposes for which the Corporation is organized are purely religious. These purposes include missionary, educational and charitable purposes, the carrying on of missionary work, the support of public worship and the spread of the Gospel of Jesus Christ throughout the world, and the education, training and enlistment of the people and ministering to the needs of the sick, helpless, aged or infirm.

ARTICLE FOUR: Charitable Nature. No part of the net earnings of the Corporation shall inure to the benefit of, or be distributable to its members, trustees, officers, or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth herein. No substantial part of the activities of the Corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the Corporation shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of or in opposition to any candidate for public office. Notwithstanding any other provision of these Articles, the Corporation shall not carry on any other activities not permitted to be carried on (a) by a corporation exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, or (b) by a corporation, contributions to which are deductible under section 170(c)(2) of the Internal Revenue Code, or the corresponding section of any future federal tax code.

ARTICLE FIVE: Members.

A. The Members of this Corporation shall be members of Baptist churches which are in friendly cooperation with the Convention and which are sympathetic with the Convention's purposes and work, and who are elected by their churches as messengers to the Convention in session, and who are properly registered and seated by the Convention.

B. These Members shall be called "messengers." The messengers shall constitute the Convention in session. A messenger enjoys rights as a member of the Corporation only during the period of the specific meeting to which the messenger has been elected by

the messenger's church and seated and not unseated by the messengers constituting the Convention in session.

C. The rights of individual messengers, and the rights of the messengers constituting the Convention in session, shall be those described in these Articles of Incorporation and the Bylaws. A messenger must be present to vote. In addition to any right granted a messenger or the messengers constituting the Convention in session found elsewhere in these Articles, in the Bylaws, or as Members under the provisions of the New Mexico Nonprofit Corporation Act, as it may be amended, messengers shall have the right to vote on: the amendment of the Articles of Incorporation; the amendment of the Bylaws; merger or consolidation and dissolution; the sale, lease, exchange, mortgage, pledge or other disposition of all or substantially all, the property and assets of the corporation; the election and removal of those persons constituting the State Executive Board, the committees of the Convention, and officers as provided in the Bylaws; the adoption of the Convention's annual budget; and to allow the Convention to become the Member of, and to exercise the rights of The Baptist Convention of New Mexico as the Member of, any other corporation.

ARTICLE SIX: Meetings of the Messengers.

Unless an emergency is declared by the State Executive Board, there shall be a two-day annual meeting of the messengers constituting the Convention at such time and place as the messengers may select, this selection being made at least two years in advance. In the event of an emergency, the State Executive Board may cancel or change the time and place upon giving reasonable notice to the churches.

B. Special Meeting. A special meeting of the messengers may be called by the messengers in session, by the State Executive Board, or by any two of the following officers: the President, the Executive Director, or the Chairman of the State Executive Board. The body or persons calling the special meeting shall, at least twenty days prior to the meeting, notify the churches of the meeting, its time, place and purpose, in writing by mail, and shall cause notice to be published in *Baptist New Mexican*. No other notice of meetings shall be required.

C. Quorum. The presence of a majority of the registered and seated messengers shall constitute a quorum.

ARTICLE SEVEN: Composition of the Board of Directors. The Board of Directors of this Corporation shall be called the State Executive Board. The State Executive Board shall be composed of the President of The Baptist Convention of New Mexico and thirty persons elected by the messengers constituting the Convention in session as provided in the bylaws. Vacancies occurring other than as the result of the expiration of a term or as the result of an increase in the number of persons constituting the State Executive Board may be filled temporarily by the affirmative vote of a majority of the remaining directors, though less than a quorum of the State Executive Board, until the messengers constituting the Convention in session fill the vacancy for the remainder of the term of the person vacating the position.

ARTICLE EIGHT: Duties of the State Executive Board. The State Executive Board shall exercise the rights and powers granted to a board of directors by the New Mexico Nonprofit Corporation Act, these articles and the bylaws. The State Executive Board shall act for The Baptist Convention of New Mexico on all matters not reserved in these Articles and the bylaws as matters to be acted upon by the messengers constituting the Convention in session. In the event the messengers constituting the Convention fail to act, or act on the basis of demonstrably incorrect or misleading or insufficient information, the State Executive Board may act on a matter otherwise to be acted upon ex-

clusively by the messengers constituting the Convention. The State Executive Board may exercise the Convention's right as the Member of another corporation to remove a director of that corporation if the Board of Directors of that corporation requests the removal.

ARTICLE NINE: Books and Records. The Corporation shall keep correct and complete books and records of account and shall keep minutes of the proceedings of its members, board of directors and committees having any of the authority of the Board of Directors. The Corporation shall keep at its registered office or principal office in New Mexico, and during a period when messengers constitute the Convention at the site of the session, a record of the names and addresses of its members entitled to vote at that moment and those entitled to vote in the previous session of the Convention. All books and records of the Corporation may be inspected by any messenger, his agent or attorney, during the period when the person is a messenger, and for any proper purpose and at any reasonable time.

ARTICLE TEN: Registered Office and Agent. The address of its registered office and the name of its registered agent at such address is: Dr. Joseph Bunce, Executive Director, 5325 Wyoming Blvd., Albuquerque NM 87109.

ARTICLE ELEVEN: Dissolution. Upon the dissolution of the Corporation, assets remaining after all liabilities and obligations shall be paid and discharged, or adequate provision shall be made therefore, shall be distributed as provided in the New Mexico Nonprofit Corporation Act to one or more organizations which are organized and operated exclusively for one or more purposes described in section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code.

ARTICLE TWELVE: Amendment. These Articles may be further amended in the following manner: The State Executive Board shall adopt a resolution setting forth the proposed amendment and directing that it be submitted to a vote of the messengers constituting the Convention in annual or special session. No notice shall be given of the proposed amendments except: The State Executive Board shall cause the proposed amendment to be published in *Baptist New Mexican* prior to the session in which the amendment will be considered; and the proposed amendment shall be given in writing to the messengers in the first meeting of the session and consideration shall be had on the amendment in a subsequent meeting of that session. A proposed amendment shall be adopted upon receiving at least two thirds of the votes of messengers present when the vote is taken.

3. This Amendment was adopted by the messengers constituting The Baptist Convention of New Mexico on the 27th day of October, 1999, in its annual session at which a quorum of the messengers entitled to vote was present and the Amendment received at least two-thirds (2/3) of the votes of messengers present at the time the vote was taken. This Amendment was also adopted by the Board of Directors (State Executive Board) by a vote of a majority of the Board of Directors in office on the 27th day of September, 1999.

THE BAPTIST CONVENTION OF NEW MEXICO
BYLAWS
(As Amended October 25, 2006)

ARTICLE ONE: Autonomy and Cooperation. The Baptist Convention of New Mexico (the or this Convention) recognizes and shall steadfastly honor and respect the autonomy and independence of each church. This Convention, while seeking fellowship with all Baptist bodies which share the Convention's purposes, shall be independent and sovereign in its own sphere and shall never attempt to exercise any authority over any other Baptist body, church, association, convention, or auxiliary body.

ARTICLE TWO: Seating of Messengers.

Section 1. At any meeting of the messengers, messengers shall be seated upon presentation of proper credentials or satisfactory evidence of their election by their churches. The credentials shall be signed by the moderator or clerk of the church electing the messenger, and shall indicate the date of election. Credentials shall be presented to the Credentials Committee of the Convention before being seated.

Section 2. Churches wishing to send messengers to the Convention for the first time shall present to the Credentials Committee in care of the Executive Director, at least thirty days prior to the annual meeting of the Convention to which the church desires to send messengers, evidence that the church is in friendly cooperation with the Convention and sympathetic with the Convention's work, and evidence of their faith and practices, which are not in conflict with the Holy Bible, the Old and New Testaments.

Section 3. As an autonomous Baptist group, the Convention reserves the right to determine what constitutes a cooperating Baptist church. Churches shall be considered in friendly cooperation who are sympathetic with the purpose and work of this Convention, having demonstrated cooperation by contributing a minimum of $250 to the Cooperative Program through the BCNM during the twelve months immediately prior to the call to order of the annual or special meeting of the Convention. The faith and practices of each cooperating church, in the opinion of the Convention in session, shall not be in conflict with the Holy Bible, Old and New Testaments. The Convention in session shall be the final judge of the qualifications of its members.

Section 4. Each church shall be entitled to two messengers and one additional messenger for every twenty-five members or major portion thereof above twenty-five; but in no case shall any church be entitled to more than eight messengers.

ARTICLE THREE: Officers.

Section 1. The Convention shall have a President, a First Vice-President, and a Second Vice-President. These officers shall be elected annually by the messengers constituting the annual meeting, and shall enter upon the duties of their respective offices at the close of the session, and shall continue in office for one year or until their successors are elected.

Advance indemnification shall be allowed of a director, officer or employee for reasonable expenses to be incurred in connection with the defense of the action, suit, or proceeding provided that the director, officer, or employee must reimburse the Corporation if it is subsequently determined that the director, officer or employee was not entitled to indemnification.

ARTICLE NINE: Parliamentary Authority. The rules of order for the Convention, The State Executive Board, and all committees of the Convention and of the Board, shall be the current edition of "*Robert's Rules of Order Newly Revised.*" In case there is no provision in *Robert's*, the President or other presiding officer shall exercise his discretion,

Leaders of other like-minded organizations have met with them to try to make more of an impact. They will meet again during the State Convention. Soon there will be a new website for the Christian Life Committee.

TEAM REPORTS

Executive Office/Information Services Team: Chairman Toby Dolan presented the report. He said that the regional missionary process is moving forward with the combining of two different associations in two different areas of the state – Mountain/Western Associations and Santa Fe/Northeastern. Their agreements were finalized and a search team was in place in each instance. Both would undergo NAMB approval. He said that San Juan Association called Dr. Russell Begaye as their DOM. Dr. Albright continues to work with the Spanish and Native American works. The *Baptist New Mexican* staff continues to work hard to keep Baptists informed. Spanish articles will continue to appear in the paper. Circulation is down slightly.

Evangelism/Discipleship Team: Chairman Bobby Fuller presented the report. He said that Joe Lightner had been from one corner of the state to the other meeting with pastors about things that need to be done in the future. There were packets available for Saturate '08. He encouraged churches to register for Saturate '08. The Lives Ablaze Student Conference had 2,200-2,400 people with 514 decisions, 197 of those professions of faith. There were over 750 at the Sportsman's Banquet. He asked Joe Lightner to share what was currently happening at the State Fair. Joe said that this year they experimented with using a video element. They called the booth, "Free Gift for Life." The idea is that people will have an opportunity to win a gift if they will fill out a card and watch the video. Since the beginning of the fair they had shared with over 750 people and 381 had indicated a profession of faith. The Senior Adult Days have been well attended in Roswell and Inlow. The Evangelism Conference is well in place. The discipleship area has had Senior Adult Days at Roswell, Ruidoso and will soon have one at Inlow. There have been six age graded Bible study and leadership training events and one was currently taking place in Las Cruces.

Leadership Development Team: Dale Shook presented the report. He asked for prayer as 30 of the New Mexico Singing Churchmen were to leave for Panama the following Friday. He said that there were over 35 people who attended a Transitional Pastor training event at Glorieta. He also said that EQUIP is an excellent resource for online training. Over 250 people attended the music camps through the summer and there will be a leadership conference in 2008. There were 110 at the Bivocational Conference the previous weekend. He expressed pleasure that Sam Swan had joined the LDT.

Missions Mobilization Team: Chairman John Hinze presented the report. He said that it was Judith Edwards' birthday and the board sang "Happy Birthday." She would be retiring the end of the year, but there are great people in place to continue on. They spent a lot of time reviewing and revising application forms for Church Pastoral Aid and Harrison Trust Funds. They **recommended** $1,000 per month from the Atherton Trust Fund for Sherlock Vargas at the Hispanic Mission of Albuquerque Monterey for September to December 2007. **Approved.**

Policy/Personnel Committee: Rick Sullivan presented the report. He said there were no recommendations.

Property/Finance Committee: Chairman Clark Henderson presented the report. He asked Gerald Farley to share about the proposed 2008 budget. He said that there was a different format to the budget this year. All of the money that comes through the

BCNM is now listed including all special offerings. The CP budget represented a 5.21 percent increase. Chairman Henderson relinquished the floor to Vice-Chairman Steve Moseley while he **recommended** the 2008 budget. **Approved.**

Executive Director's Report: Dr. Bunce said that there is a 3.5 percent increase in the salaries of the BCNM staff included in the 2008 budget. He also said that since the last meeting he has had the privilege to speak at numerous churches as well as represent the BCNM at meetings of the International Mission Board and the North American Mission Board. He also has begun doing January Bible Study Overviews in the associations. In returning to the budget he said that for the first time a holistic budget has been presented. He was proud of the staff for identifying where all of the money comes from and it is all on the proposed budget. For the first time the proposed budget will be printed in the *Baptist New Mexican* before the state convention. He said that he will be involved in a vision trip to Canada to investigate the mission partnership with them. He also said that the South Carolina Convention has sought a partnership with New Mexico Baptists. He said that it is imperative that we as Baptists protect our children. He mentioned several websites available to aid churches in this endeavor. He thanked members for the work that has taken place in preparation for the state convention and asked them to pray for convention leaders. He also asked for prayer for Saturate '08. CP gifts are at an all time high. He said that when he came as executive director 26 percent of the churches were not giving to the Cooperative Program and the list is currently down to 35 churches. He shared a list of churches that have not given to the Cooperative Program and directed attention to a letter that was sent to these churches. He recommended the book, "Spiritual Leadership" by Henry and Richard Blackaby.

New Business: Chairman Henderson called for election officers. Jack Corder **nominated** Steve Mosely for vice-chairman. Hugh Rogers **seconded**. **Approved**. Mike Hattabaugh **nominated** Clark Henderson for chairman. Jack Corder **seconded**. **Approved**.

Carried.**

Eugene Baker **moved** to adjourn. Glenn Pipes **seconded**. **Carried**.

EXECUTIVE DIRECTOR'S REPORT

Dear New Mexico Baptist:

I want to express my deepest appreciation for the commitment that has been made across our convention to fulfilling our 10x10 Objectives. The state convention provides an exciting time of fellowship and encouragement and the attendance of messengers during the convention affords us the opportunity to fulfill the first objective. Last year at our state convention we had a near record attendance and I believe that we will have an outstanding attendance in Albuquerque as well.

I especially want to express my appreciation for the incredible response and affirmation to our mission's commitment through the Cooperative Program. Eighteen months ago 26 percent of our churches were not financially engaged with the convention in missions giving through the Cooperative Program. Praise God the vision of partnership is beginning to take hold in a new and exhilarating way. That number at the end of September is down to 11 percent. Often times we fail to celebrate the impact that Cooperative Program dollars make. I remind Southern Baptists that our Cooperative Program dollars not only under gird 10,000 plus missionaries, they under gird six Southern Baptist seminaries as well. Thank you New Mexico Baptists for making missions and evangelism the main thing.

It is still my prayer that we as a convention will baptize at least 5,000 a year by the close of 2010. Our Lives Ablaze Student Conference and our evangelistic emphasis at the state fiar booth this year have given us hundred of people that have made a commitment to Christ and how need follow-up. Our Sportsman's Banquets have also yielded a large number of individuals who have responded to Christ. Please pray for our churches, not only in these special event evangelistic opportunities, but also in the daily opportunities to share our faith. These are exciting days as a fresh wind of evangelism blows across our convention.

We are beginning to see an increase in new church starts and there are some Hispanic Bible studies that potentially will create new congregations in the near future. Some of the churches in New Mexico, about 30 in number, may need the assistance of a sister congregation to revitalize and sense fresh the mission and vision that God has put forth. I would encourage our congregations to look within their own associations to see what churches can be fortified and strengthened by an inter-associational partnership.

New Mexico is becoming more missional than ever. Large numbers of our congregations are reporting that they are involved in a mission partnership at home and abroad. As I prepare this report I am preparing to lead a vision trip to a potential mission partnership with the Canadian Convention. Many of our churches are still heavily involved in partnerships in Thailand, Vietnam, Brazil and now Canada will afford us another avenue of mission work. I want to encourage New Mexico Baptists to embrace the opportunities to fulfill the Great Commission as we look to the Nation to our north.

The sixth objective dealt with encouraging our existing churches to re-dream and seek a fresh vision from our Lord concerning what God would have them to do within their own congregation. There are several of our churches that are experiencing a fresh word from our Father. A part of re-dreaming as congrega-

tions is beginning to move our focus back to missions and evangelism and realizing that the church exists, not for the people within, but for the list outside. It is my prayer that our focus on simultaneous revival, Saturate '08, will provide an encouraging boost for re-dreaming our dreams.

We are also making large strides in the area of revitalizing and empowering our associations. Four associations in our state have chosen to work together in creating new regional positions and the creations of a regional area missionary that will be working with Santa Fe and Northeastern Baptist Associations and another regional area missionary working with Western and Mountain Baptist Associations. Please pray as God directs these associations to the individual that He would have work in these incredibly important areas.

I want to especially say thank you to our Baptist Convention of New Mexico staff for their incredible response and hard work as we have been moving in the process of restructuring. It has been exciting to see the enthusiasm and the creativity of the BCNM staff. New Mexico Baptists have been extremely blessed with dedicated people and I would ask that you would take every opportunity to express a word of gratitude to BCNM employees as they truly have given 110 percent. WE would like to welcome to our staff Joe Lightner, our Director of Evangelism; Gerald Farley, our Interim Director of Business; Connie Dixon, our WMU Director; Sam Swann, our Student Leadership Development and Evangelism Director and his assistant Tammy Dixon.

I also want to take time to express appreciation to Judith Edwards. Judith has done an outstanding job as our Missions Mobilization Team Leader. As you are aware, Judith has announced her retirement and we bid her God speed as she begins a new chapter in her ministry. Her retirement will afford her an opportunity to focus on writing and spending more time with Dalton. Judith is an incredible lady who is abundantly gifted and her smiling, encouraging spirit will be greatly missed. Thank you Judith Edwards!

There has also been a change at the helm of the New Mexico Baptist Foundation. I would like to formally welcome Rick Breeden as our new Foundation president. Rick comes with a vast amount of experience in the area of finance having served as an auditor for the FDIC. I also would like to say thank you to Lee Black for 26 years of outstanding service as he has masterfully lead our Baptist Foundation. Lee's heart for New Mexico has often been illustrated by his tireless service. I pray that Lee and Sandi will be greatly blessed in their retirement and we overwhelmingly say thank you!

I pray that New Mexico Baptists never forget the ethnic diversity of our state. Fifty-one percent of our 2 million plus New Mexicans are Hispanic. There is a major cultural shift taking place within our Nation. It is expected that by the year 2037 there will be 400 million Americans with 100 million of those being Hispanic. We must continue to explore every avenue and make the most of every opportunity to reach this growing population segment. Roughly 10 percent of New Mexicans are Native Mexicans. New Mexico has also become a melting pot as the world moves to our state. For example, there are over 6,000 Vietnamese in the city of Albuquerque along.

There is presently significant development in regard to a seminary presence in New Mexico. Southwestern Baptist Theological Seminary is exploring a potential New Mexico extension. This would afford our New Mexico students the abil-

ity to receive an outstanding theological education and remain in the "Land of Enchantment." There is still much to be done before an actual presence takes place, but I am excited that this potential partnership seems to have gained incredible momentum these past months.

It is a joy to serve you,

Love Dr. B

EXECUTIVE OFFICE/INFORMATION SERVICES TEAM
John L. Loudat, Team Leader

The Baptist Convention of New Mexico's executive office/information services team (EIT) has completed its first year under the BCNM reorganization approved by the executive board in July of last year. Staff members of the team's four offices—executive, associational, business and information services—have completed the work of identifying the team's purpose and tasks and determining which office is responsible for each task. The convention's financial statement has been rearranged, and directors of EIT offices have developed and implemented the necessary new procedure for the development and submission of budget requests. EIT personnel also have worked closely with the convention's new Webmaster in the redesign of the convention's Web site.

The EIT has undergone a definite and noticeable transformation in carrying out the board's directive, and its staff members have completed numerous assignments specifically designed to move the convention toward its goal of achieving its 10 X 10 Objectives.

THE EIT ASSISTS EACH TEAM AND ENTITY OF THE STATE CONVENTION IN ACHIEVING THE BCNM'S 10 X 10 OBJECTIVES.

2007 Annual Report

Ministry over the past year has been shared between associational strategy development and reorganization, associational leadership development, Native American ministry, and Spanish ministry.

1. Associational Strategy Development and Reorganization

2007 has been an exciting year for associations to "re-dream the dream" of what the Lord desires to do in and through their churches and their cooperative fellowship. Four of our associations have entered into mutual partnerships to seek new leadership, a new vision, and a new cooperation for ministry. Mountain, Northeastern, Santa Fe, and Western Associations have remained faithful in mission and ministry with the absence of a Director of Missions. Several of these associations have endured for several years without a DOM. During this past year, Mountain & Western Associations, and Northeastern & Santa Fe Associations entered into partnership with one another to seek a different type of associational leadership. Instead of continuing the traditional Director of Missions position, each partnership agreed to seek a new type of leader, a Regional Associational Missionary (RAM).

The RAM position has been designed to assist associations which have experienced difficulty in financing a fulltime Director of Missions ministry, and are willing to cooperate with another association in a regional ministry. By partnering

two associations in one region, the Baptist Convention of New Mexico can become a more significant partner with these associations through leadership and church development, missions involvement, strategy planning, and financial assistance in the selection of a regional missionary. Also, this ministry process allows the cooperating associations the opportunity of financing the remainder of the cost of a regional missionary without too heavy a financial burden.

In July of 2007, both partnerships (Western & Mountain Associations and Northeastern & Santa Fe Associations), voted to officially enter into partnership with one another in seeking a Regional Associational Missionary. Regional Advisory Teams have been selected for each partnership, and the candidate search process has begun.

Please continue to be in prayer for these associational partnerships as they seek a Regional Associational Missionary, and as their partnership of ministry and mission develops into what the Lord desires them to become.

2. Associational Leadership Development.

Two additional associations remain without leadership at this time. They are San Juan and Southwestern associations.

San Juan Association has called Dr. Russell Begaye to become their new Director of Missions. Dr. Begaye is projected to be on the field of service by mid-October. This is a historical event for San Juan, the BCNM, and the Native Peoples of New Mexico. Dr. Begaye is a member of the Navajo Nation, and originally from the Shiprock area. This will mark the first time in the BCNM's history that a Native American has served in the position of a Director of Missions. Dr. Begaye will bring a wealth of experience and knowledge to this position from his 25 years of service with the Home Mission Board and North American Mission Board of the Southern Baptist Convention. Please join me in welcoming Dr. and Mrs. Begaye back home to New Mexico.

Southwestern Association continues to seek leadership for their association. The BCNM is a significant partner with Southwestern Association in their search for the leadership they desire. Pray that the Lord will give direction to the search team and wisdom in meeting the needs of the association.

Associational leadership development has continued in each of our associations. A couple of significant events that have occurred in 2007 other than what has already been mentioned are:

Rio Grande and Southeastern Associations have agreed to enter into the NAMB Associational Assessment process. This process is and effective way of identifying the needs of the churches of the representative association and incorporating those needs into the corporate strategy and administrative planning of the association. This process is known as "field based strategy planning." The result is that the association becomes an entity that exists to resource, train, and helps strategize with the local congregations in reaching their communities for Christ.

Strategy visits have been conducted in each association to discuss the needs and potential partnerships with the BCNM. This process will continue into

2008.

The DOMs, State Director of Missions, and their wives attended an IMB Dialogue / Briefing during the month of August in Richmond, VA. The purpose of the meeting was to better understand how the state convention and local associations (and their respective churches) can develop on-going partnerships with IMB.

Native American Ministries:

During 2007, a strategy planning process was initiated through the Indian Quarterly Fellowship to investigate the most effective way to minister to Native American peoples and congregations in New Mexico. An advisory team was selected to help identify such things as critical needs, determine purpose and vision, and suggest a possible name change for review by the Fellowship. The advisory team reported on their work to the Indian Quarterly Fellowship at their quarterly meeting in January. As a result, the Native American Leadership Council was developed. The Council was directed to continue their work of identifying critical needs, purpose, and vision. Dave Deutsawe currently serves as the Team Leaders of the Native American Leadership Council. Pray for the Native American Leadership Council and the Native congregations that they represent. Our Native American population in New Mexico, by percentage, is the state's largest unreached people group. Pray that the Lord will give direction, wisdom, humility, and courage in reaching this significant population.

For the first time in the BCNM's history, the Indian Camp Committee decided to conduct camp outside of their partnership with the BCNM. Attempts were made to enter into dialogue with the Indian Camp Committee to clarify concerns and offer solutions, but the committee chose not to meet with the BCNM and Inlow Camp representatives before making the decision to move camp to a different location. As a result, the BCNM did not have an official Indian Camp this past summer. An independent Indian Camp was conducted by the Indian Camp Committee in Las Vegas, NM.

A follow-up meeting was held on Tuesday, July 17, with significant Native Leaders to discuss this past year's Indian Camp issues. After much discussion, the BCNM decided they would host a BCNM Indian Camp at Inlow Camp in the summer of 2008. An additional meeting has been called for Monday, September 10, to allow each Native American congregation to have a representative present to discuss the organization of next year's camp. At this time, a BCNM Indian Camp Committee will be selected to promote, organize, and lead the camp.

Spanish Ministries:

A search process was begun in 2007 to identify a significant leader to lead the BCNM in relating to our Spanish populations and congregations as a State Spanish Strategist. The search continues to identify God's man for this position. The responsibilities of the State Spanish Strategist will include church planting, church strengthening, evangelism development, leadership development, and serving as a liaison with the Spanish Baptist Convention of New Mexico. Pray that the Lord will lead us to His man in the near future.

It was a privilege to attend the Spanish Pastors/Wives Retreat in April, the Spanish Family Camp in June, and the Spanish Baptist Convention in July. It was a time of wonderful fellowship and commitment. In July at Gallup, NM, I was honored with the responsibility of preaching the commissioning for the new 2007 – 2008 officers of the Spanish Baptist Convention.

It is my desire to continue to develop healthy, positive relationships with our Spanish congregations through the state office and the local associations. Please pray for this very important ministry as we seek to reach the 51% of our state that are Spanish speaking.

10 X 10 Objectives Served:

Associational Strategy Development, Church Strengthening, Church Planting, Leadership Development, Mission Partnerships, Hispanic Ministries, and Native American Ministries.

Respectfully Submitted,

Stan Albright
State Director of Missions

INFORMATION SERVICES
John Loudat, director

BCNM information services personnel continue to work hard at collecting information about Baptist work in the Land of Enchantment and sharing it with New Mexico Baptists. During the entire history of the state convention, since 1912, the Baptist New Mexican has been the convention's primary tool for accomplishing that vital task. In the early 1990s, that which was previously only a printed piece became available to anyone with access to a computer on the World Wide Web. While our 11,117 current subscribers to the print edition are happy to have a state paper they can hold in their hands, we recognize that a growing number of people would rather read that same information from their computer screens, so we publish the BNM there, as well. The number of subscribers Aug. 31 represented a decrease of 145, or 1.3 percent, from the number reported in July. Our office continues to send e-mails about "breaking news" to churches, associations and their leaders as needed, and forwards to them e-mails from other BCNM offices as requested.

Readers have, no doubt, noticed an increase in the number of stories printed in Spanish, which we recognize is the native tongue of many of those we seek to serve. Feedback has been nothing but positive, and we plan to continue, if not expand, the practice in the coming year.

Seventeen churches and two associations, the same number as last quarter but one more than this time a year ago, continue to take advantage of the service provided by this office to print their newsletters on the back of the Baptist New Mexican. We expect that number to continue to grow now that new postal rates for publications went into effect in July.

This office also has the assignment of assisting the BCNM's Christian Life Committee in its work. This year the committee sponsored its first Ethics and Religious Liberty Forum prior to its annual Legislative Breakfast in Santa Fe, was busier than ever during the legislative session, met more frequently than ever before, and is in the process of significantly expanding what it does in or-

der to make a greater impact for Christ in our state. We are thrilled that the CLC has enlisted the services of the BCNM's prayer coordinator, Holly Lindsey, in its important work.

ALL OF THE ABOVE SUPPORTS OUR EFFORTS TO ASSIST EACH TEAM AND ENTITY OF THE STATE CONVENTION IN ACHIEVING THE BCNM'S 10 X 10 OBJECTIVES.

EIT committee members are Toby Dolan (chairman), Bob Bruce, Jack Corder, Lee Herring, Steve Mosley and Ed Meyers.

EVANGELISM/DISICPLESHIP TEAM
Dayton King, Team Leader

Evangelism Ministries

Transition:
This year has been one of transition for the Evangelism Team. In the 1st Quarter, the BCNM Executive Board called Joe Lightner as the new Director of Evangelism. His responsibilities began May 21st, having relocated his family from Texas. To guide this transition, he developed a 12 month transition plan. This plan engaged him into the ministries of our state while outlining a process to develop a statewide evangelism strategy.

Evangelism Strategy:
A structured dialogue has been facilitated by the Director of Evangelism with pastors in each association concerning a Statewide Evangelism Strategy. There has been an exchange of ideas in the following areas: Evangelism Training, Event Evangelism, Pioneer Evangelism, Evangelism Conference, Evangelism Resources, Evangelism Leadership Development and Support Evangelism Movements. The information gathered will be taken through a process of prioritization and prayer and then delivered to the state.

Simultaneous Revival:
In the 1st Quarter, the BCNM Executive Board voted to approve Simultaneous Revival in New Mexico for spring 2008. The Evangelism Team received this initiative and developed a strategy to implement. This initiative is themed Saturate '08, praying that God would saturate our churches, so that they can saturate this state with the hope found in Christ.

Evangelism Conference
The Hispanic Evangelism Conference met January 28-29 in the Del Norte Baptist Church in Albuquerque. Dr. Herman Rios from the Florida Baptist Convention was the featured speaker. The Statewide Evangelism Conference convened at the facilities of the Hoffmantown Church in Albuquerque, January 29-31. New Mexico Baptists were blessed and encouraged by great preachers, including Junior Hill, Thom Rainer, John Avant, Rob Zinn, and Jeff Harris. Worship music was led by Mike Harland and a New Mexico favorite son, Fernando Ortega.

Plans have already been made for the 2008 Statewide Evangelism Conference which will be held January 28-30th, at Hoffmantown Church in Albuquerque; and the Hispanic Evangelism Conference January 27-28th, at Del Norte Baptist Church in Albuquerque. With the Executive Board's decision to have Simultaneous Revival spring 2008, the conference is rightly themed, *for such a time as*

this…Saturate'08. The tone of the conference will encourage pastors as they prepare to participate with Saturate'08. We are excited to host program guests such as: Frank Page, Tom Eliff, Bill Britt, John Avant, Twila Paris, Richard Vera, Billy and Cindy Foote, just to name a few.

Lives Ablaze Student Conference:
Over Labor Day Weekend at the Glorieta Conference Center, the BCNM hosted the 2007 Lives Ablaze Student Evangelism Conference. The theme this year was "Connect" and our students connected with program guests David Nasser, Skillet, KJ-52, Bob Smiley, Billy and Cindy Foote, and Chad Childress.

State Fair:
The BCNM utilized a new model for the booth at the State Fair. The booth themed "Free Gift For Life" implemented audio visual equipment to share the gospel. Attendants registered for a free New Testament that they received when they had viewed a video that presented the gospel.

Sportsmen's Outreach:
July 27th, the BCNM hosted the 3rd Annual Sportsmen Outreach Banquet to expand the Kingdom of our Lord. The event hosted program guests Joey Hancock, Eddie Salter, and Justin Todd Herod. The event drew over 750 attendants that yielded 74 professions of faith and 110 rededications.

Camps:
There were 5 BCNM camps from the Evangelism Team that were successfully completed in the summer of 2007 (Wilbegoway, Connection, Centrifuge Sivells, Centrifuge Inlow, and Doulos Sivells). With the restructure of the convention, these camps stem from the Evangelism Team. This year, Wilbegoway was implemented to replace CentriKid which was discontinued by LifeWay. We are continuing to pray through our camp strategy in preparation for the future.

Discipleship Ministries

Thank you, for the privilege of partnering with you as we reach New Mexico for Christ. We are doing all we can to help pastors, church staffs, and church leadership to focus on evangelism, discipleship, worship, missions, and fellowship as the most effective strategy for growth. The Discipleship Ministries area is made up of the following disciplines: Sunday School/Bible Studies, both on and off campus, Age – Group Training, Discipleship Training, Children's and Youth Bible Drill and Youth Speaker's Tournament, Church and Associational Leadership Training, Vacation Bible School, Ministry Assistants and Secretaries, Demographic interpretation, FAITH resource, Senior Ministries, Church Weekday Education, Church Library, and Materials Resources.

Vacation Bible School

Collegiate Ministries

We have Baptist collegiate ministries on eight campuses in New Mexico. Each ministry is commissioned by the Baptists of New Mexico to saturate the campus with the gospel and to raise up qualified laborers for the global harvest. The university system is one of the most powerful influences on the world. It is vital that we give great effort at reaching students and seeking the Lord's favor in changing the world through the collegiate ministry.

We have ministries on these campuses: New Mexico State University in Las Cruces, Eastern New Mexico University in Portales, University of New Mexico in Albuquerque, New Mexico Tech in Socorro, New Mexico Junior College/ College of the Southwest in Hobbs, San Juan College in Farmington, and Western New Mexico University in Silver City. The ministry at New Mexico Highlands University in Las Vegas is currently inactive as we seek a qualified person to serve as director.

Baptist Student Unions in New Mexico have three annual retreats. The Leadership Training Conference is held at Sivells Baptist Camp in April, National Collegiate Week is held at Glorieta Conference Center in August, and the Fall Retreat is held at Glorieta Conference Center in October.

Student Missions efforts are year-round on the campuses. Abundant opportunities exist for local and regional ministry projects. There are also opportunities for students to serve in North America as summer and semester missionaries through the North American Mission Board. And there are opportunities for students to serve overseas through the International Mission Board. Applications for summer projects are due in January. Fall project applications are due in March. In 2007 there were 25 students who served in overseas assignments.

One of the primary goals I have as state director is to provide training for local directors. We had a staff development and training retreat in Ruidoso in June. I spent time with each director in one on one settings and set vision and purpose standards for all campuses in New Mexico. Additionally, I have begun to have individual directors visit Las Cruces and spend time on the campus of New

Mexico State University with our staff and students. It is a time for sharing the gospel and training the local directors in foundational campus ministry skills.

It is a privilege to have served New Mexico Baptists as the director of the Baptist Student Union at New Mexico State University since 1985 and I am genuinely excited to simultaneously begin this new aspect of ministry as the State Collegiate Director.

Brian Townsend, Director

On behalf of the students at the ENMU BSU, I want to express our gratitude for your support! Our ministry to the campus at Eastern would not be effective without your prayers, giving, and encouragement. I want to take the opportunity to summarize some of the highlights of this past year.

WORSHIP
On Thursday nights we gather together for a worship event we call "Renovation". There were a few occasions in the Fall where we maximized our seating capacity of 100. Our Spring semester attendance averaged in the 60's. We had several students make open rededications through this event and two come to faith in Christ.

SMALL GROUPS:
One of our major concerns at Eastern is the small group ministry that began 3 years ago. We had 6 to 8 small groups meeting through the school year with between 50 and 80 students regularly involved. We have partnered with 2 local churches which have small group ministries. They view this partnership as a way to plant indigenous churches to reach the college campus!

EVANGELISM
Last year, we witnessed 7 students commit to follow Christ on our campus. Most of these students placed their faith in Christ as a result of personal relationships with other students and involvement in House Church. At Eastern, we don't have access to go into the dorms and knock on doors, and there are few accessible "hang out" places where students gather and the gospel can be shared. Our students have to be very intentional about building relationships with their pre-Christian friends.

MISSIONS:
We had a team of 5 students/staff spend their summer in East Asia. Our students lived in the dorms at a university of 22,000. They were the only Americans on the campus. They had the opportunity to share with several students and see 4 students come to faith. My wife and I also had a chance to spend 2 weeks with our team and the local missionaries. We are looking at a long-term partnership with them.
We also had a student in Bosnia, two in India, and another who helped lead a team of high school students into Japan.

RELIGION COURSES:
I have the honor of teaching religion courses for the University. I teach

two courses per semester to about 40 students. It is a great opportunity to impact students who don't normally walk through the doors of the BSU. Every year through the relationships I build with students in the classroom, I have a chance to share Christ with them outside of the class. This year I had the opportunity to lead a young lady to faith in Jesus after class! I also had some wonderful opportunities to help offer advice and counsel to students- most of whom I would have never met apart from the privilege of teaching them.

Thank you for your on-going support of our ministry! We couldn't do it without you.

In aiming to revitalize the Tech BSU over the past year, we have taken significant, yet small steps forward. We see God working on our campus, though we know we have much room to grow.

We attempted several kinds of outreaches, but found worthwhile our efforts on the following fronts: in missions, the English Conversation Club, Language Partners, and the International Women's Tea; in evangelism, sharing as the Holy Spirit led us in the relationships we were building for that very purpose; in discipleship, the Sunday morning collegiate Bible Study held at First Baptist Church, (the only Southern Baptist Church in Socorro) as well as meeting with students one on one for assessing their spiritual maturity and potential for leadership; and in enlistment, dinner fellowships hosted by FBC church members and a weekly Game Night and Devotion.

In June, seven us went on a rafting retreat in Taos. As we were an international group, we spent one evening discussing the Christian world view and our hope of salvation.

By the end of the 2006-7 academic year, nine-teen international students or their wives regularly participated in our outreaches . In Bible Study, twenty-two

students have attended at least once a month. The BSU club president and his wife have now graduated, and are planning on going into full-time ministry.

In this year to come, we expect our presence to become more prominent and our impact to deepen as we meet more students and continue the journey begun with others. In addition to the activities aforementioned, for the 2007-2008 year we have set aside an hour each week in "cold turkey" evangelism and time for preparing student leaders to disciple others. We also hope students will participate in either student missions opportunities or a mission trip through First Baptist Church- Socorro.

May God's will be done in our campus ministry and may He be glorified in all that has been accomplished thus far.

Thank you for your continued prayers and support.

The pulse of the BSU at New Mexico State University is found in our four core values. We call them our DNA:

God's Glory – God only really has one supreme agenda and that's to bring glory to his name. Our desire is to raise up generations of university students who live their lives for his glory – whatever it takes.

God's Heart for the Nations – The natural result of living for God's glory is to have a passion for his fame among all the peoples of the earth. This requires a biblical theology that is often overlooked. We challenge students to live a global lifestyle with a burden for seeing God worshipped to the ends of the earth. We have established three overseas partnerships to target the unreached peoples there:

East Asia since 1995
North Africa since 2002
Former Soviet Republic since 2003

In 2007 we have sent 15 students to serve on 8-week projects in these partner cities. In addition to these short term projects, we have 3 alums serving for two years in East Asia, 5 alums serving for 2+ years in North Africa. In our Former Soviet Republic partner city, we have one alum serving in a career assignment and 2 alums serving for 2 years. We are also excited to have 9 additional alums currently in the process of seeking 2 year and career assignments through the International Mission Board. Throughout the rest of the world, there are 15 more alums of the BSU at NMSU serving in career IMB assignments.

Multiplying Disciples – Our conviction is, "More time spent with fewer people leads to greater lasting impact for the kingdom." The most efficient and effective way to raise up generations of disciples who are passionate for God's glory is through one-to-one discipling relationships. This is the primary method of ministry in the BSU at State. In 2007 we have averaged a little over 100 students

who attend our weekly campus worship meeting on Thursday nights. In comparison, there are 97 students who are involved in one-to-one discipling relationships. It is here that we are most successful in truly 'making disciplemakers.'

Personal Evangelism – Our assignment is to saturate NMSU with the gospel. We are raising up students who are learning how to effectively share their faith in any setting. This evangelism training strategy involves one student equipping one other student by trusting the Lord to open spontaneous witnessing opportunities each time they go on campus. This past year more than 500 students heard the gospel from BSU students as they shared on campus. Forty-two of our students are involved in sharing the gospel through this strategy and are challenged to be confidently telling their friends about Jesus. In 2007 we have seen 28 students trust Christ through our students' influence. Our prayer is that God's power will be unleashed through the proclamation of the gospel and hundreds of Aggies will repent and put their faith in Christ.

Our Mission: CSM exists to share the love of Jesus by building relationships and encouraging one-another to achieve greatness in life.

We focus on these 3 things: Evangelism, Discipleship, and Missions

Our Strategy:

One on One relationships on campus living out our faith, personally praying for and discipling others
Small Groups where we invite others to join us as we teach and talk about our faith journeys in small group settings and enjoy fellowship
Large Group where we gather all together to worship and hear from someone who has professional experience in studying and teaching God's word

Our Rationale:

Our setting is unique in that we are the third largest campus in New Mexico, but we are a commuter campus. Since we do not have a building, we have the opportunity to use the facilities at the campus in a positive way. We meet in one of the student club rooms every week for leadership training. We will begin to use one of the large auditoriums on campus for a large group gathering in October of 2007. All of these facilities are free to use since we are an established club.

Since the schedules of our students are so hard to coordinate, we are working with several key students to become leaders. They will in turn lead small groups at various times all over campus. Their main goal is to reach students, talk about matters of faith, and give fellowship opportunities. They will aim to shepherd these students. Finally, our large group ministry will be open to anyone on campus who wants to come. We will begin with talking about Spiritual Disciplines and move to hard questions about God. We hope to attract

some new students with this ministry, but mostly to give all of our students an opportunity for corporate worship and Bible teaching aimed at the collegiate.

We are just getting re-started in our work at San Juan College. The Lord has sent us several new students who have a great leadership capacity. Please pray for more leaders and that we would be unashamed of the Gospel as the Lord gives us opportunities to share.

The GraceLife Baptist Student Union at UNM seeks to reach out to the larger university community and provide a place for Christian students to be challenged in their faith as well as to develop relationships with other believers. We seek ways in which we can have an impact on the larger campus through outreach projects, evangelism, and ministry projects. We attempt to accomplish these goals through cultivating grace-filled relationships and discipleship in the various ministries listed below. It is our desire to see students begin a relationship with Jesus Christ and grow in that relationship. God has also blessed us with the opportunity to minister to faculty members and leaders from other student organizations such as the InterReligious Council (IRC).

Allison– former student – has been appointed by Wycliff to Mozambique
Haley – former student – is serving as a Journeyman in Barcelona, Spain
Nichole served in China over the summer.

The GraceLife Baptist Student Union is a very exciting place to serve and be served! The mission emphasis is one area where God is using staff, former and current students, and local church volunteers to impact the world. We have two alumni who are serving or will be serving within the year outside of the United States. We have the opportunity to see new international students as they first arrive in Albuquerque for school through the Great Garage Giveaway, held at the beginning of the Fall semester, and the Welcome Party, held at the beginning of the Spring semester. These ministry opportunities are made possible through a joint effort of the Office of International Programs and Studies (OIPS), International Students International (ISI), and local churches who are interested in helping to make the transition a little smoother for these students. Last Spring at the Welcome Party there was a man who met 4 Chinese students and began having a Bible study with them. Three of these students have come to know the Lord and the fourth one is very close to making that commitment. Another aspect of the international ministry is the Thai Café which is in the BSU building. Tina works very hard to cook and serve Thai food to people from all over the world. We have several students who have volunteered to help Tina and to make friends with the international students who come to eat her great food. The International Bible Study will begin on August 30th. George Kyei will be leading this study. George is a doctor from Ghana who is here working in the medical school researching TB. His call is to disciple fellow Christian international students as well as reach those who do not believe.

Our students at the BSU are also very interested in enlisting fellow students – believers and non-believers. Every year the staff meet many new students through orientation, youth ministers bringing their incoming freshman, and friends bringing friends. We held leadership training before school started as well as having a Welcome Back party the first Friday of classes. We also have several students who are contacting fellow students, both returning and new, to encourage them in their walk with the Lord and to be involved in ministering through the BSU.

The evangelistic call at the BSU is a focus for our group this year as well. We will be training students to share their faith, be involved in conversations on campus with UNM students about spiritual things, and crew for hot air

balloons. We have 12-15 students who will be preparing to share their faith with people they encounter every day. This emphasis will involve scripture memory and prayer for the UNM campus, friends, and co-workers. There are several volunteers who work with the BSU to be on campus and talk with students about spiritual matters and to engage the students about their faith. One of the ways these volunteers do this is by showing intelligent design videos and then following up with interested students to discuss their interest in a Designer. This leads to an easy witness for the Lord. Good Air Crewing has 34 students and others enlisted. Five churches from around New Mexico are also involved with this ministry. Good Air exists to be the presence of Christ in the ballooning community. As such, we frequently have the opportunity to share our faith. Good Air also serves to disciple students by teaching them to serve those around them in Christ's name. We have several students who are involved with the BSU who are not Christians. We see this as a perfect opportunity to show them the love of Christ and to meet their needs for spiritual growth. We pray these individuals will come to know the Lord!

Discipleship is very important at the BSU as well. We have Cell where students get together to study the Bible and pray. We have about 50 students who are learning scripture verses. We are going to have a prayer journey in September where students come to the BSU specifically to pray for everything from a clean heart to the students at UNM to the salvation of the world. There were also about 30 students who attended part of collegiate week at Glorieta in August. This was a time of Bible study and worship with college students from around the United States.

Another important ministry involves the local church. UNM is a commuter campus and most of our students are already connected to churches and the community. We affirm their relationship with the local church, understanding that students need to fulfill their commitments to their churches. We also encourage the local church to connect with the campus through the BSU. We see campus ministry as a joint venture. Several of our former students have or are currently serving as youth ministers. Several students serve on the worship teams in their churches and numerous students are involved in discipleship roles. We work hard to have a healthy relationship with pastors, staff and lay people. One of the ways we do this is through our lunch on Wednesdays where local churches bring food for the students. This is a great opportunity for the volunteers to see what we are doing to minister and serve as well as giving the churches a time to serve the college students who are involved in the BSU.

Nathan Yost, Director

We arrived in Silver City the first part of June. Between starting a new job and living in temporary housing things were pretty crazy most of the summer. In mid-July we moved into our new home and started the process of getting settled.

The main effort this summer was to 1) familiarize ourselves with the administrative needs (i.e. paying bills, depositing checks, upkeep of facility, etc.) and 2) scheduling local churches for the Fall semester for the weekly High Noon meal on Wednesdays.

Looking ahead to the upcoming school year, the primary goals will be:

- Connecting with existing students
- Recruiting freshmen and sophomores

Encouraging student participation and leadership.

The purpose statement/ministry philosophy/discipleship process of the BSU is:

Worship God-Follow Jesus-Serve the Body-Tell the World

This describes not only our mission but also the process of discipleship to move students from convert to missionary. The logo symbolizes that this process is interactive and even as one progresses through the process, the previous elements are never outgrown. In the upcoming months existing programs will be evaluated and modified to align with the purpose statement.

School started on August 20. The first High Noon meal was on August 29. There have been four High Noon meals so far. There were about 40 people at the meal on September 19. A weekly Bible study started on September 11. That study will be going through the book of Ecclesiastes.

Please pray that God's favor would pour out on this ministry as we strive to bring glory to Him on this campus.

LEADERSHIP DEVELOPMENT TEAM
David Red, Team Leader

The New Mexico Singing Churchmen has a membership of 47 men representing 43 BCNM churches. The group presented 4 concerts in the 2006-2007 concert season, Eastern Hills Baptist Church, Albuquerque; Central Baptist Church, Clovis; Emmanuel Baptist Church, Farmington and Church on the Butte, Elephant Butte. Thirty members of the group made a mission trip to Panama City, Panama helping Don Jordan dedicate a new hymnal in the language of the Kuna Indian tribe. They also held music and leadership workshops with Spanish churches in the city. The Churchmen raised more than $18,000 participate in the mission trip.

A Transitional Pastor Training Conference was held on April 30-May 3 at the Taylor Memorial Baptist Church cabin on the grounds of Glorieta Conference Center, sponsored by the BCNM and facilitated by LifeWay Christian Resources Pastoral Ministries division. There were 45 participants at the event, 25 being BCNM pastors. The BCNM offered scholarships to the first 15 NM pastors attending the conference. Southeast Baptist Association offered scholarships to all participating from that association.

A new online video training website is now available for the purpose of training church staff and lay leaders. E-quip, located at www.bcnm.e-quip.net is free to the public and can be accessed from any internet location. There are currently 111 training videos available for viewing,

with new training online on a regular basis.

The Youth and Children's MusiCamps were July 9-13 and July 23-27 respectively. There are 250 campers enrolled in the 2 camps.

The Leadership Development committee of the BCNM Executive Board is developing the first New Mexico Baptist Leadership Conference on September 22-24, 2008. The event will feature successful ministries of New Mexico churches. Conference sessions will be taught by NM pastors.

The Contextualized Leadership Development program in NM is a valuable tool for the training of persons who presently serve or are planning to serve BCNM churches in NM, but do not have advanced ministry training received in college or seminary. The four CLD centers in NM had a student enrollment of more than 100 in 2006-2007.

The Bi-vocational Ministers and Family Retreat was held at Glorieta conference center, September 7-9, 2007. The 110 attendees received training in various aspects of church leadership as well as a great time of worship and fellowship.

A new staff person was added to the Leadership Development Team of the BCNM. Sam Swann, formerly the Minister to Students at Calvary Baptist Church, Las Cruces, will work jointly with the Leadership Development and the Evangelism/Discipleship Teams to develop evangelism and leadership training events and strategies for church staff, lay leaders and students.

INLOW BAPTIST CAMP AND CONFERENCE CENTER
Annual Report

And Jesus looking upon them saith, with men it is impossible, but not with God:
for with God all things are possible.
Mark 10:27

We have transitioned from our summer camp schedule into the fall retreats, usually over a weekend. After the Thanksgiving holiday we will switch into our remodel and maintenance schedule for the winter. With the last-minute cancellation of one of our large summer camps, we are in need of prayer to make sure the financial needs of the camp are met as we enter our off-camping season.

This summer we began a volunteer Discipleship program, taking advantage of teens that have a heart to serve in the camping ministry. If accepted into the program, these teens may serve at Inlow for 1-2 weeks, giving them the opportunity to discover if this ministry is where they have been called. The volunteers help with kitchen work, grounds maintenance, cleaning, laundry, and much more. Because of their service, we were able to keep the number of summer staff members to 6 for the 2007 summer. This program has been a great blessing to Inlow and we hope it will help continue the special role Inlow has played in providing a place for young people to search their hearts and discovery God's will for their lives in mission's service.

As of today, we have had 4,488 camper days, 299 day campers, 43 decisions (still reporting), and countless hours served by volunteers! For the month of June, we were visited by Centrifuge, Jemez Valley Family Retreat, and the new Camp Wilbegoway. In July, we enjoyed serving Youth MusiCamp, GLOW, Deaf Family Camp, and Children's MusiCamp. We would like to thank the Convention teams for all their support in assisting us to develop Wilbegoway for New Mexico children and we hope to meet the needs of students with another new camp in 2007.

For recreation, many campers enjoyed paintball, air rifles, archery, mountain bikes, and the new low ropes course. Construction will soon begin on our new climbing wall, for which most of the material has already been purchased, and we continue to work on the 100 yard shooting range. The range has been excavated and we will soon have stalls and racks added to the existing shooting deck. We are praying for provision of a manicured grass field and large pavilion for outside gathering. We are also looking for several churches that would like to build more outdoor covered meeting areas, such as we currently have named Europe and South America. This would only involve a weekend mission trip and minimal material for the foundation, frame, and roof.

Senior Day this year was a great success. Thanks go to the Discipleship team from BCNM for their hard work, Claude Cone of Mon-

terey in Albuquerque (former BCNM Executive Director) for his uplifting message as guest speaker, and Bob Brittain of First Thoreau for his inspirational music. There were 300 seniors in attendance: all enjoyed God's beautiful fall colors and fresh mountain air, reminiscing about old Inlow days, and a great brisket dinner with all the trimmings! As God blesses this event, we are looking for ways to increase capacity for 2008.

NEW MEXICO BAPTIST CHILDREN'S HOME
Annual Report

The NM Baptist Children's Home has placed 1,600 children since 1919. The first 52 years, there were 821 children that lived here at the Home. From 1971 to the present, we have placed 779 children. Today's child does not stay as long as in early days.

We have averaged 25 children in care each month this year. We have had 45 inquiries and have placed 10 children to date this year. The length of stay is at least a year if possible and sometimes longer depending on the circumstances.

Lots of visitors were on campus for our reunion held here the weekend of August 10th and 11th. Memories were shared and good food was had by all. We are looking forward to the next BCH Reunion which will be the 90th year. It is scheduled to be held in 2009.

The last days of summer were spent getting ready for the county fair and back to school shopping. The children did well at the local county fair this year and we were excited at the ribbons and recognition the children received. The start of the school year brought on after school practices, ball games and homework that fill up the afternoon and evening hours here at BCH.

October rolls around and we gear up for our Fall Food Harvest. This brings in a majority of our groceries that we need for the year. This is a big financial help to the Home and we appreciate every ones support.

> *"We do not know how to thank you and all concerned for the splendid way in which you have responded to the needs of the children in the Home. As a result of your loyalty and the goodness of God we have had another good year at your Home. So with renewed faith we turn to Thanksgiving feeling sure that your love for children will keep you from disappointing your children here in you Home in Portales"*

How safe is the investment in the loans?
This is a question often heard. Since 1960 one loan of $4,000 has been written off. Today investors can help build churches in the west and **earn up to 7.5%**. **Approximately $5,000,000 in new permanent loan funds are being sought to assist growing churches meet their financing objectives.**

Please help us communicate the wonderful opportunity churches, church members and businesses have to help build for kingdom growth. Where else can your investments help build churches in the Rocky Mountain States and have an excellent earning capability?

The New Mexico Baptist Foundation is doing its part by investing over $3,500,000 in church financing. Why not commit to join us by telling others and placing an investment in the Church Finance Corporation.

The camp fees will remain the same for 2008. This will be our 6th consecutive year at this price. We are very thankful to all of our local churches for supporting camp ministry at Sivells. When we can keep the fees down more children and young people will have the opportunity to come to camp, and this gives us the joy of sharing Christ while they are here on the campus. Thanks to all of our wonderful supporting churches, who make camp ministry possible at Sivells:

This summer's camps were very well received. The new dorm complex on the hill was used for the first time this summer. We still have some sidewalks to put in and road work to do, for easier camper access. We are excepting reservations for the new facility. It can house 100 campers. Please call us if we can assist your church in any way this upcoming summer season. All of our summer convention camps had an overwhelming response to summer programs for our children and young people.

The Sivells summer internship; "Project Timothy", had its fifth great summer. We had interns from Kentucky, Ohio, Tularosa, and right here from our own Mayhill, New Mexico. These young people gave us 8 weeks of their summer to come and serve. Thank you for your overwhelming response. We hope that this program will be a long standing one at Sivells Baptist Camp. Our state young people are awesome!!!!

As always we thank all of our volunteers and churches for their continuing prayers and support. It is your vision that keeps Sivells moving forward in 2008. We look forward to assisting our New Mexico Baptist churches this 2008 season.
